Who We Are:

A company specializing in Interior decoration services, having been established in excess of 3 year sin Ajman

Al Hilal Interior Decoration, was founded by a team of like-minded people, together with a group of International and local professionals, architects and engineers. Being a customer-oriented company, we understand the importance of staying committed to customers, providing tailored engineering and design solutions, delivering work with quality and safety standards to maintain trusting and long term mutual relationships.

Al Hilal Interior Decoration is a specialist in all forms of design and decor works, Coupled with our ever increasing number of directly employed workers, all of whom are trade tested and trained to the highest standards of their craft, allowing the company to offer a superlative service. Every member of our team of professionals and qualified administrative staff are competent and fully committed to providing our clients with accurate, creative and cost effective advice, which will give the best method of creating decor works as required, including, but not restricted to extraordinary decoration with health and safety issues relating to the use of design. We pride ourselves on our complete and in depth knowledge of the interior decoration and the regulations applicable in both home and international jurisdictions.

We distinguished our self from other companies by offering a complete turnkey decoration solution. We are in a position to quote for and undertake décor requirements from conception through to completion, and look forward to receiving contracts covering all of your interior decoration needs, be it a two week requirement, or two years to completion. You can be confident that Al Hilal Interior Decoration will provide you with the highest quality materials, whether they are off-the-shelf or custom-made. Coupled with outstanding customer service, superior product knowledge and our team's collective years of expertise, you can be assured that whatever your décor needs, Al Hilal Interior Decoration. can help.

Al Hilal Interior Decoration offers a wide range of services which include but not restricted to consultancy, design, installation and all types of decoration works.

Al Hilal Interior Decoration will assist any local companies together with multinational companies to establish operations in the U.A.E., independently issue drawings, pricing structures etc, and advice in association with our local partners in all the Emirates. We comply fully with all the health & safety issues as per legislation and ensure they are applied together with local environment and regulations.

Our Mission:

Al Hilal Interiors is a leader in providing value-added interior decoration services to our customers in the United Arab Emirates, by creating a successful partnership with them throughout the construction process and beyond.
